To Start:

- Bride and Groom - \$65
- Bride and Bride - \$75
- Groom and Groom - \$55
- Animals - email me for price quote

Add Your Own Faces - \$25 (Typical faces come from my stash of antique photo portraits)

Add Your Own Backside of Heads - \$5

Mail or email a digital photo of you and your hubby-to-be/wife-to-be and I will resize and digitally antique them.

Hints for taking/choosing photos:

- Heads should not be tilted down, unless you prefer a menacing or slightly evil look
- Long hair should be out in front of you – if it's in the back it will look like you have shoulder length hair
- Heads are usually looking straight forward, but they can also be looking at each other
- Smiling is best for a cheery cake topper
- The backs of the heads are mirrored images of the front (double-sided) – this is the typical vintage style. If you prefer, you can snap photos of the backside of your heads and I can match them with the front.
